INTRODUCTION

The Judges' Retirement System (JRS) is governed by the Judges' Retirement System Law at California Government Code (GC), section 75000 et seq., which is the basis of all JRS decisions. The statements in this booklet are general and are as simple as possible while still attempting to be fully accurate. The Retirement Law is complex and subject to change. If there is a conflict between the law and this booklet, any decisions will be based on the law and not this booklet.

MEMBERSHIP

JRS was established on August 27, 1937. Membership includes justices of the Supreme Court, justices of the district courts of appeal, and judges of a superior or municipal court appointed or elected before November 9, 1994.

Since all counties have consolidated their municipal courts with their superior courts under Proposition 220, there are no longer active municipal court judges.

CONTRIBUTIONS

As a member of JRS, a portion of your monthly salary (currently 8 percent) is deducted each month and put into your account in the Judges’ Retirement Fund. The amount of your accumulated contributions is shown on your JRS Annual Member Statement, which is mailed to you after the end of each fiscal year.

The State and/or County also contribute amounts to the JRS Fund based on your salary. Your contributions, along with the State and/or County contributions, earnings from investments and other sources pay for your retirement and death benefits.

Refund of Contributions

A refund of your contributions terminates your JRS membership, and you will not be eligible for any future benefits. You must accept a refund of your contributions under the following circumstances:

- If you leave office prior to retirement and you have less than five years service credit;

..... or

- If you plead guilty or no contest to, or are found guilty of, a crime committed while holding office which is punishable as a felony under California or federal laws and which involves moral turpitude, or was committed in the course and scope of your duties.

SERVICE CREDIT

You earn service credit for the time you hold office as a judge, computed in years and fractions of years. If you would be eligible for Service Retirement or Disability Retirement had your service included an additional 60 days, you may be credited with the necessary service up to 60 days.

PURCHASING SERVICE CREDIT

Redepositing Withdrawn Contributions

If you are reappointed or elected to a judicial position after receiving a refund of your contributions you may redeposit your withdrawn contributions, plus interest, from the date of withdrawal to the date of redeposit, and restore the corresponding service credit.

Prior Service

As an active judge you are eligible to purchase service credit in JRS for certain types of previous employment, if you are not receiving credit for this service under any other public retirement system. To purchase the service credit, you must pay the amount that would have been deducted from your salary had you been a judge during that time, plus any applicable interest.

You may purchase all or any portion of your prior service. However, you must elect to purchase this prior service credit before you retire. If you think you qualify for purchasing prior service credit, contact JRS.

Military Service

You may be able to purchase additional service credit in JRS for active duty military service, if you are not receiving credit for this service under any other public retirement system. Service may be granted on the basis of one year of credit for each year of credited service in the system, but may not exceed a total of four years of service credit, regardless of the number of years served in active military duty. A present value calculation method provides the means for an eligible member to pay the full cost of the service. Contact JRS for more information on eligibility criteria.

APPLYING FOR RETIREMENT

To apply for retirement, you must complete JRS retirement forms. To ensure timely processing, submit your application to JRS at least 60 days prior to your intended retirement date.

YOUR RETIREMENT BENEFITS

There are several retirement options available to you. Be sure to carefully review the minimum requirements and advantages of each to determine which is best for you.

Service Retirement – GC Section 75025

To qualify for a Service Retirement, you must be at least age 60. Table 1 illustrates the percent of active judicial salary that your unmodified allowance (highest benefit payable) is based upon given your age and years of service.

Table 1
Retirement Allowance Percentage Based on Age and Years

<i>Retirement Age</i>	<i>Years of Service</i>	<i>Percent of Active Judicial Salary</i>
60+	20	75 percent
66	18	65 percent
67	16	65 percent
68	14	65 percent
69	12	65 percent
70+	10	65 percent

Your unmodified allowance will equal a percentage of the current salary of the judicial office you last held. The percentage you receive is based on your age and years of service. Increases in judicial salaries increase your retirement allowance proportionately.

Extended Service Incentive Program (ESIP) – GC Section 75085 et seq.

If you are an active member with 20 or more years of service credit and were at least age 60 on or after January 1, 2001, you are automatically enrolled in this program and may be eligible to receive a lump sum payment in addition to your normal monthly retirement allowance at retirement. The payment is a calculation of 20 percent of your monthly salary for the first five years from eligibility date and 8 percent of salary for the next five years. Interest is calculated at a rate indexed to 30 year U.S. Treasury Bonds. There is a 36-month minimum participation period to receive the program payment and a maximum enrollment period of 10 years.

Deferred Retirement – GC Section 75033.5

If you have at least five years of judicial service, you may retire under deferred retirement. However, you will not receive a retirement allowance until:

- You reach the age at which you would have been eligible to retire under Service Retirement, if you had remained continuously in office up to that age, and you are at least age 63; or
- You are age 60 if you have at least 20 years of judicial service.

Your deferred retirement allowance is based on your years of service (not to exceed 20) multiplied by a percentage based on the number of years of service (between 2 percent and 3.75 percent) times your salary. Table 2 on the following page illustrates the various percentages based on years of service for whole years only. Fractional years are prorated and included in your retirement calculation.

Under the Extended Service Incentive Program, you are eligible to receive a lump sum payment, in addition to your normal retirement benefit, when you retire. The lump sum payment of principal and interest will be paid to you after you are out of office and the State and/or County ceases reporting payroll to JRS on your behalf.

You may name any person, a corporation, your estate, or a trust as your beneficiary for the Option Portion of your retirement allowance. Your survivor can also be your beneficiary.

Optional Settlements – GC Section 75071

At retirement, there are various options available to you. You may choose to receive the highest benefit payable, which is referred to as the unmodified allowance, or you may choose an optional settlement.

In selecting an option, please be aware that, upon your death after retirement, GC section 75077 provides an allowance equal to one-half of your unmodified retirement allowance to an eligible surviving spouse or domestic partner, which is referred to as the Surviving Spouse Allowance. To be eligible, you must have been married to your spouse or in a registered domestic partnership at least one year prior to your retirement date. This benefit automatically continues to your spouse or registered domestic partner following your death after retirement, regardless of the option you select.

Option 1

This option provides a lump sum payment of any remaining member contributions to your beneficiary after your death. The reduction to your monthly unmodified allowance to provide this payment is based on your life expectancy at retirement and the amount of your contributions. You may name one or more beneficiaries, and can name a new beneficiary at any time. The member contributions in your account at retirement are reduced with each monthly benefit paid and are reduced to zero in approximately 6 to 9 years.

The following options provide lifetime monthly benefits to your designated beneficiary. Your designation cannot be changed after receipt of your first retirement warrant, except under limited circumstances.

Option 2

The same allowance you receive will be paid to your beneficiary for life. If the Surviving Spouse Allowance applies, and your beneficiary is not your eligible survivor, the beneficiary's allowance will not include the Surviving Spouse Allowance. Your retirement allowance will increase to the unmodified allowance if:

- Your beneficiary dies; or
- Your non-spouse or non-domestic partner beneficiary waives entitlement to the Option 2 benefit; or
- Your beneficiary is your spouse or domestic partner legally recognized in California and upon divorce, legal separation, termination of partnership, or annulment you provide JRS with a judgment that awards you the entire interest in your JRS benefits; and
- You notify JRS of the change.

Option 2W

As an alternative to the Option 2, you may elect the slightly higher allowance under Option 2W. However, your allowance will not increase to the unmodified allowance under the situations described in Option 2.

Option 3

In this option, one-half of your monthly retirement allowance will be paid to your beneficiary for life. If the Surviving Spouse Allowance applies, and your beneficiary is not your eligible survivor, the beneficiary's allowance will not include the Surviving Spouse Allowance. Your retirement allowance will increase to the unmodified allowance if:

- Your beneficiary dies; or
- Your non-spouse or non-domestic partner beneficiary waives entitlement to the Option 3 benefit; or
- Your beneficiary is your spouse or domestic partner legally recognized in California and upon divorce, legal separation, termination of partnership, or annulment you provide JRS with a judgment that awards you the entire interest in your JRS benefits; and
- You notify JRS of the change.

Option 3W

As an alternative to the Option 3, you may elect the slightly higher allowance under Option 3W. However, your allowance will not increase to the unmodified allowance under the situations described in Option 3.

To be eligible for a disability retirement, you must meet a minimum years of service requirement that is based on when you first became a judge.

Option 4

Option 4 is a somewhat flexible option. There are several unique variations of Option 4, each specifically designed to accommodate various situations that might apply to you such as the ability to name more than one beneficiary. The amount payable under Option 4 cannot exceed the amount payable under Option 2W. In addition, with any variation of Option 4, your allowance will not increase to the unmodified allowance under the situations described in Option 2 or 3.

Disability Retirement – GC Section 75060

If you become unable to continue the duties of your office because of a mental or physical disability that is, or is likely to become, permanent, you may apply to the Commission on Judicial Performance to be considered for a Disability Retirement.

There are no age or service requirements for a work-related Disability Retirement. However, the service requirement to retire for a non-work related Disability Retirement depends on when you first became a judge. Please refer to the following chart for guidelines regarding the service requirements for a non-work related Disability Retirement.

<i>JRS Membership Date</i>	<i>Service Requirement</i>
Prior to January 1, 1980	No service requirement
January 1, 1980 to December 31, 1988	Two years
January 1, 1989 or later	Four years

Generally, the allowance payable for a Disability Retirement is 65 percent of judicial salary unless you are eligible for a higher percentage under a Service Retirement.

WORKING AFTER RETIREMENT

Service Retirement

Your retirement allowance will not be affected by employment that does not require membership in JRS.

Deferred Retirement

If you retire under Deferred Retirement, you may practice law or accept any other gainful employment without affecting your retirement allowance.

You are eligible for judicial assignment after you elect Deferred Retirement. If you are not yet receiving your retirement allowance, you may accept the judicial salary. After you commence your retirement allowance, if you are assigned to serve in a trial court, there will be no offset to your retirement benefits. If you are assigned to sit in a court of appeal or Supreme Court, and the compensation is greater than your retirement allowance, the State will pay the difference between the compensation and the retirement allowance. Please contact JRS for more information.

Disability Retirement

You may not accept employment that requires membership in JRS or another public retirement system.

If you practice law or accept other gainful employment that requires you to perform duties substantially similar to those you were found unable to perform and thus, granted a disability retirement, your retirement allowance will cease permanently.

If you practice law or accept other gainful employment that does not require you to perform duties similar to those you were found unable to perform, other than a public office, your retirement allowance will be reduced so the total of your allowance and earnings does not exceed 75 percent of the current salary of your last judicial office. Monthly earnings must be reported to JRS by the eighth of each month following receipt of earnings.

When you reach the age that you would have been eligible for a service retirement under GC section 75025, your disability allowance will no longer be subject to the reduction due to earnings of gainful employment as described in the above paragraph.

The JRS provides death benefits to eligible beneficiaries upon the death of a member before retirement. The death benefits available are based on whether or not the member was eligible to retire.

SURVIVOR BENEFITS

Spouse or Registered Domestic Partner

Pre-Retirement Death

Not Eligible to Retire

If you die before you are eligible to retire, your spouse or registered domestic partner will receive a lifetime monthly allowance equal to 25 percent of your judicial salary. This benefit is available to your spouse or registered domestic partner regardless of your age and length of service.

..... or

If you elected and paid for a surviving spouse benefit (\$2 per month) pursuant to GC section 75090 et seq., and you have 10 to 20 years of service, your spouse or registered domestic partner could elect to receive a lifetime monthly allowance equivalent to 1.625 percent times your years of service (a fraction of a year equals one year). Refer to Table 3 for the percentage of judicial salary that would be payable.

Table 3

<i>Years of Service</i>	<i>Percent Per Year of Service</i>	<i>Total Percentage of Judicial Salary</i>
10	1.625	16.250
11	1.625	17.875
12	1.625	19.500
13	1.625	21.125
14	1.625	22.750
15	1.625	24.375
16	1.625	26.000
17	1.625	27.625
18	1.625	29.250
19	1.625	30.875
20+	1.625	37.500

..... or

Your spouse or registered domestic partner could elect to receive a return of your contributions plus one month's salary, for each year served as a judge, up to a maximum of six months. If your spouse or registered domestic partner predeceases you and you do not have a designated beneficiary, your estate can receive this benefit.

Eligible to Retire

You may elect, at any time while in office, to make an election for your spouse or registered domestic partner to receive the maximum survivor benefit (equivalent to the Option 2W benefit) in the event of your death before retirement. This benefit is only payable if you are at least age 60 and have at least 20 years of service upon your death.

If you did not make the election noted above, and if you die after you are eligible to retire, but before you retire, your spouse or registered domestic partner will receive a lifetime monthly allowance equal to one-half of the unmodified allowance you would have received had you retired on the date of your death.

Post-Retirement Death

If you die after retirement, your spouse or registered domestic partner will receive one-half of your unmodified allowance for life or the optional settlement you elected, as described in the Optional Settlements section on pages 8 through 10.

In all cases, judges who took the bench on or after January 1, 1980, must be married or in a registered domestic partnership for at least one year prior to retirement for the Surviving Spouse Allowance to apply.

Children

Survivor benefits will be paid to surviving children **only** if no benefits are payable to a spouse or registered domestic partner. You may elect coverage for your children by filing a written notice with JRS within six months of becoming a judge or within six months of acquiring a legal duty to support an eligible child.

The contribution amount for this coverage is \$3 per month. Contributions will continue after retirement if you have eligible children and you choose to continue the benefit coverage. You may revoke your election and re-elect any time **prior** to retirement.

Eligible children include your unmarried, dependent child or stepchild under age 18, or age 22 if they are a full-time student. In addition, an unmarried, dependent child over age 18 who is disabled by a condition which began prior to attaining age 18 and which has continued without interruption after age 18 is considered an eligible child.

Payments are divided equally among the eligible children and are made directly to children over age 18 or to the guardian of children under age 18. Payments continue until a child reaches age 18, or age 22 if a full-time student, or until a disabled child is no longer unmarried, dependent, and disabled.

Pre-Retirement Death

Not Eligible to Retire

If you die before you are eligible to retire and do not have a spouse or registered domestic partner, the guardian of your unmarried children under age 18 and unmarried children under age 22 who are full-time students, will receive a monthly allowance equal to 25 percent of your judicial salary. Payments are divided equally if you have more than one eligible child.

..... **o r**

If you have at least 10 years of judicial service at the time of your death, your children (or their guardian) may elect to receive a monthly allowance equivalent to 1.625 percent times your years of service, to a maximum of 37.5 percent. (See Table 3.)

..... **o r**

If your children are your designated beneficiaries, they (or their guardian) could elect to receive a refund of your contributions, plus one month's pay for each year you served, up to a maximum of six months.

Eligible to Retire

If you die after you are eligible to retire, but before you retire, and do not have a spouse or registered domestic partner, your eligible children will receive a monthly allowance equal to one-half of the allowance you would have received had you retired on the date of your death, to be equally divided among the children.

Post-Retirement Death

If you die after you retire and do not have a spouse or registered domestic partner, your eligible children will receive a monthly allowance equal to one-half of your unmodified allowance, to be equally divided among the children.

HEALTH BENEFITS

Service Retirement

If you are enrolled in a CalPERS health plan when you separate from employment and retire under GC section 75025 within 120 days from separation, your health coverage will continue into retirement.

If your current health plan is not covered under CalPERS, ask your personnel office about keeping your present health care insurance or enrolling in a State-sponsored plan during an open enrollment period or within 60 days of your retirement date. It is important that you do this before your retirement date.

If at retirement, or after retirement, you are enrolled in a CalPERS health plan and you are eligible for Social Security Medicare benefits, State law prohibits your continued enrollment in a basic plan. However, you can continue your CalPERS health care coverage as a supplement to Medicare by enrolling in a Medicare health plan. Contact JRS immediately after you and your spouse or registered domestic partner receive your federal Medicare cards so that we can determine your eligibility and coordinate the effective date of your Medicare coverage.

Deferred Retirement

If you separate from employment and are deemed retired under GC section 75033.5, and are enrolled in a CalPERS health plan, you and your eligible dependents may elect to continue health benefit coverage during the deferred status. You may also elect or change coverage during any future open enrollment period. You will pay both the employee and State's share of the premiums until you commence your pension. Once you start receiving your retirement allowance, the State's contribution will be based on the date you first became a member of JRS and your years of service.

Health Benefit Vesting Requirements

Upon retirement, the State may contribute toward the cost of your health benefit coverage based on the date you first became a member of JRS and your years of credited service, as follows:

- **First hired by the State (JRS) prior to January 1, 1985** - you will receive 100 percent of the State's contribution of the health benefit premium, regardless of your number of years of service
- **First hired by the State (JRS) after January 1, 1985** - the State's contribution is based on the date you became a member and your years of service. If you are nearing retirement, contact JRS for information regarding your specific situation.

Dependents

If your eligible dependents are included in your CalPERS health plan at the time of your death, their enrollment will automatically continue if they receive a monthly allowance from JRS. The State's contribution will also continue. If your eligible dependents do not receive a monthly allowance, they can continue their coverage through the Consolidated Omnibus Budget Reconciliation Act Program (COBRA).

Surviving eligible dependents not currently enrolled may be eligible to enroll in a CalPERS health plan within 60 days of your death or during any open enrollment period. Contact JRS for more information.

DENTAL BENEFITS

Many of the same rules apply to dental benefits that apply to your health benefits coverage; however, some differences exist. Contact your personnel office or JRS for further information.

VISION BENEFITS

Your health benefit plan may include some vision services. The California Judge's Association also offers a vision plan for retirees.

In addition, you may be eligible for State-sponsored vision benefits. Please contact your personnel office or the Department of Personnel Administration at (916) 322-0300 to arrange for vision benefits during retirement.

OTHER CONSIDERATIONS

Direct Deposit

When you retire, or any time after retirement, you may choose to have your retirement allowance electronically transferred to your checking or savings account at your financial institution.

Allowance Increases

Your retirement allowance will receive increases consistent with active judicial salary increases.

Community Property

If you and your spouse or registered domestic partner get a divorce, legally separate, get an annulment, or your partnership is terminated, your spouse or registered domestic partner may be entitled to receive a portion of your retirement benefits. Please contact JRS for more information.

Reciprocity

JRS has limited reciprocity with CalPERS and plans under the County Employees Retirement Law of 1937. If you have contributions on deposit with CalPERS or one of the 37 Act Counties, you may be entitled to have your CalPERS or 37 Act County retirement benefits computed based on your judicial salary. You must retire concurrently from CalPERS and/or a 37 Act County Plan and JRS for reciprocity to apply.

Long-Term Care Program

If you want to continue deductions for payment of CalPERS Long-Term Care Program premiums, please contact the program's administrator at (800) 982-1775 to request the proper authorization forms to ensure continuity of your premium payments.

Taxes

Your retirement allowance will be subject to both State and federal taxes. At the time of your retirement, you will be given the opportunity to make an election regarding tax withholding. You may change your tax withholding election at any time.

Section 415 of the Internal Revenue Code (IRC)

IRC Section 415 places a dollar limit on the annual benefit you may receive from a tax-qualified pension plan. Judges entering JRS membership on or after January 1, 1990, will be subject to the annual benefit limits established by the IRS.

Social Security

During your employment as a judge covered under JRS, you do not pay Social Security taxes. A pension or distribution from JRS may affect the amount of any Social Security benefit you may be entitled to receive through two provisions of Federal law – the Windfall Elimination Provision (WEP) and the Government Pension Offset. Contact the Social Security Administration if you have any questions regarding how WEP or the Government Pension Offset may affect Social Security benefits.

Group Life Insurance

If you wish to continue deductions for payment of group life insurance premiums, please contact your group insurance office for authorization forms.
